HIGH SCHOOL BASEBALL 1980 — 81

This year the Eagles did very well in their attempt to make the regionals. They won the Sequoyah Tournament and went on to defeat Oolaga in the districts, which brought them to a 23-7 season.

The Eagles played an excellent season this year, and the scoreboard shows it. There were 28 homeruns made by the end of the season. At the sports banquet held on April 28, Art Bright received the award for best offensive player, and Gary Smythe received the award for best defensive player and best all-around.

Eagle fans agree with Darrell, We are #1!!!!

HER KISSIN' COUSIN

On April 14, 1981, the seniors presented "Her Kissin' Cousin" to their fellow classmates, parents and friends.

The cast spent many hours in rehearsal, but the reward, a play which everyone enjoyed, was worth the effort.

The director was very pleased with the casts' efforts and with great pride commented, "This was the best group of students I have ever had the pleasure of working with. They are to be congratulated!"

Why, down home we just naturally sweet talk most of the time. I do it myself.

Jealous! Whatever gave you that idea?!!?

By the time we're through with Tom nobody else will have a chance!

Oh, Harry, sugar, you are just the most masterful thing!

I bet you're not nearly as shy as you look, Stonewall.

Lucy Lee, supposing we go out on the verandah for a minute and talk.

SOMEWHERE OVER THE RAINBOW

Cathi Genshke and Lisa Lemmings reading the Senior wills

On the morning of April 24, the decorating committee for the 1981 Junior Senior Prom arrived at the CJC Post House. As they worked hard all day, the room was transformed into a rainbow!

As the guests began to arrive, the beautiful rainbow caught everyones eyes. Overhead, streamers of every color of the rainbow decorated the ceilings. Tissue-paper balls and raindrops hung all around the room. The tables were decorated with several colors of streamers and little candles in the shape of a rainbow reaching a pot of gold. It all followed the magical theme of "Somewhere over the Rainbow"

The banquet went well, with the reading of the Senior wills, and the Junior prophecies

After the banquet, the tables were cleared, the lights dimmed, and the prom started. Slow dances were the favorite of the night as Jeff Radley demonstrated by slow dancing through "Celebration" and "Funkytown" with his date. Mr. and Mrs. Corbett and Mr. and Mrs. Graham couldn't resist the music and they were out there dancing with the rest of the dancers. But, the evening had to end. The last slow dance played and with that the prom ended, but the magic of that evening will always be in our memories

OUR HERITAGE

This little bit of land, on which rests the campus of what we now call Sequoyah High School, was once part of the Indian Territory. Sequoyah must have felt that the education of his tribe was important, because the first school located on this site was probably Cherokee, since it was here before statehood

The first public school, which opened just after statehood, went through the tenth grade. The school hours were nine-four with one hour off for lunch. Only the basics were taught. Basketball and baseball was offered to boys

The school's only artificial lighting was supplied by coal-oil lamps, while pot-bellied stoves fueled by coal kept the students from freezing in winter

During the early days at Sequoyah, horses, buggies and feet were the only transportation available for teachers and students. A barn, located on the north-west corner of the present parking lot, served as a garage for horses and buggies

During the 1934-35 school year, Sequoyah began bussing students. The first bus was provided by the driver. He was responsible for the actual building of the bus. The driver would build the body from masonite and attach it to a truck chassis. The first bus had no glass windows or padded seats. Canvas provided protection from the elements, while wooden benches provided seating

The first school building, a two-story brick structure, was erected prior to 1920. The old elementary was added in 1949 from sandstone blocks and a gym in 1936 completed the Sequoyah High School campus. During the years, fire and constant wear by students and community alike has brought about our present, modern day facilities. The gym which will field its first basketball games during the 1980-81 season is the newest addition to our campus

SCHOOL LIFE

CARNIVAL

1980 . . .

was an exciting event. Delightful squeals, exclamations of triumph and the settling of the stomach with refreshments from the concession stand could be heard from all corners of the buildings.

Entertainment while waiting in anticipation for the "profit goal" included the playing of the Country Cousins whose leader is a former member of Sequoyah and the distributing of prizes. The last entertainment for ending the carnival night was the crowning of the queens who were all dressed in long formals and colorful dresses.

All in all, the carnival for nineteen eighty was a big success and one that will be remembered by all people.

Homecoming is a tradition which has thrived at Sequoyia since football's beginning in 1928. During homecoming week comes the excitement, anticipation, planning, and completion of many dreams.

The week's activities were well planned by the cheerleaders with tail locker and locker room decorations, shoe polishing, the cars putting together the platform, and carrying through the coronation.

Miss Leah Morton was honored as this year's queen. Her court included Sophomore attendant Missy Poole and Senior attendant Pam Hargis. All three contestants are to be commended for their beautiful dresses and beautifully decorated shining corvettes.

The 1980 Homecoming was one of the most memorable events of our high school year.

STUDENT COUNCIL

STUDENT SPOKESMEN FOR SHS

Members: First row L to R Leah Melton, Pat Clark, Don Reed, Dakota Wood, Mike Harrison, Beth Haaxwell. Second row L to R Jeff Radley, Dan Hull, Sandy Sims, Sandy Esau and (not shown) Joy Rhinehart.

The SHS Student Council, under the able leadership of Mr. Helton, spends many hours listening to students who feel that their school could be improved. All legitimate complaints are then taken to the principal. Through this type of student-principal cooperation, potential problems can be worked out to the satisfaction of everyone involved.

The Student Council is also presently involved in purchasing ping-pong tables for the high school students so that they will have an outlet for their energies during the lunch break.

Officers: L to R, Leah Melton, Treasurer, Pat Clark, Parliamentarian, Don Reed, Vice President, Dakota Wood, President, Mike Harrison, Chaplain, Beth Haaxwell, Publicity Manager and (not shown) Joy Rhinehart, Secretary.

A NEW BEGINNING

The Sequoyah Chapter of Future Business Leaders of America is a new addition to our school this year. This club is dedicated to training students in leadership, not only in business, but in all walks of life. This will be accomplished through state leadership conferences, competition with other schools throughout the state, fund raising activities and aiding fellow students through the opening and operation of a student store.

Members First row L to R Mrs. Baker, Lisa Maxey, Carol Goedecke, Lisa Lemmings, Libby Baker, Debi Morris, Lori Hearne, Lori Stratford, Mike Harrison, Mrs. Maxey. Second row L to R Don Knight, Greg Cook, Shawn Sullivan, Jeff Raden, Julie Fetter, Sherry Short, Diane Laymon, Shelli Benton, Donna Cooper and Richard James.

Officers L to R Greg Cook, Sergeant at Arms, Carol Goedecke, Treasurer, Lisa Lemmings, Vice President, Libby Baker, Parliamentarian, Debi Morris, President, Lori Hearne, Reporter, Lori Stratford, Secretary, and Mike Harrison, Chaplain.

L to R, Lisa Maxey, Carol Goedecke, Lisa Lemmings, Libby Baker, Debi Morris, Lori Stratford and Mrs. Baker attended their first leadership conference at Oklahoma City. They brought back many useful ideas to share with fellow members.

FACULTY

ADMINISTRATORS

The 1980 — 81 school year is rapidly fading into history. Before it has gone completely, one must stop for a moment's reflection of the present and future of Sequoyah School.

It seems each year the citizens of our great country face a crisis. This year has been no exception, the Iranian crisis, inflation, and world tension. The ability to solve these crises is what makes the United States of America a great country.

Problems have no chance of being solved unless the citizens are educated. An example of this goes back to 1958 when the Russians put the first satellite into orbit. The feelings of our citizenry was that we needed more scientists, mathematicians, and engineers. The schools for the next few years reflected this concern and trained men and women in these scientific fields. Within a few years we surpassed Russia in the outer space race and landed a man on the moon.

Schools must continue to reflect the demands of our society to help solve the problems of this country. Students should take advantage of the programs offered at Sequoyah Public Schools to help them accomplish these demands.

PRINCIPALS

Congratulations and best wishes to the class of '81. Having completed your high school education, I hope you are ready to accept the challenges that lie ahead. Set your goals high, don't be afraid to tackle any job or position that is important to you.

Those of you continuing your education at Sequoyah need, likewise, to set your goals high. Make good use of the time spent obtaining an education. Work hard to prepare yourself for graduation and that jump into the adult world.

May God bless each of you as you continue your education or your life's work.

LeRoy Corbett

Today, education is the vital link in the future and the development of our great nation. We have never been more aware or concerned of providing a quality education for all children, than we are today. I am pleased to be a part of this process and to join with you, the faculty and the community in the challenges that lie ahead.

John Rhine

Sequoyah School has improved and progressed in many ways. The new field house is a big plus to our campus. We added an elementary counselor to our staff.

We try to meet the needs of our students with a challenging curriculum and exciting sports program. This task is made possible by an excellent staff of teachers, understanding parents and cooperative students.

I'm proud to be a part of a progressive school such as Sequoyah. It's an honor to play a part in shaping the futures of our students.

Come on, we'll let's get excited

We're NUMBER ONE!

CHEERS!

Sequoyah High cheerleaders began preparing for their season early in June by attending DCA cheer leader camp in Siloam Springs, Ark. They returned with a second place trophy for their cheering abilities! Camp got them fired up and ready for football season. Their main goal was to keep spirit high all year long.

Being a cheerleader is no easy job as it involves staying after school for practicing cheers, routines, planning assemblies and skits, decorating halls and lockers-this plus keeping up with schoolwork! The squad did an excellent job under the guidance of their sponsor, Betsy Farbro, and the leadership of head cheerleader, Gigi Smith.

The 1980 football season will go down in history as a year when individual effort excelled. Even though the season ended with a 4-6 record, two Eagles were chosen to the All-County team: Seniors Gary Smythe, as fullback and linebacker Rick Kelsey as defensive end and tackle. All the other players are to be commended for their tremendous effort.

The coaching staff which consisted of head Coach Glen Lang, and his assistants Jow Gassaway, Steve Johnson, and Ken Chronister, never gave up in striving to field a winning team.

The community support of the team was also very outstanding. With this continued support from players, coaches, and community, we can expect great football in 1981.

SPIRIT -N- SMILES

Not a single day of their school year is
without a spirit week. Activities are
planned for each week. The spirit
week is a time when the school
is in a festive mood.

Each day of the week has a special
theme. The students are encouraged
to wear costumes. The spirit

ON THE LEFT: EAGLES

Excuse me, but you seem to be in my way!

We will be back, bigger, better, and stronger, to hopefully once again show our school pride for our school.

EAGLE'S FRESHMEN

Although the scoreboard didn't always show their talents, you can bet the crowd knew about it! There is a lot of potential on this year's ninth grade teams. They also had a lot of pride and spirit. They worked hard together as a team and never gave up. The hustle in every game was tremendous. Their effort made up for their mistakes, and their pride made up for the sometimes low scores.

We are proud to say ninth graders, you're doing fine! Remember When the going gets tough, the tough get going and Eagles never quit going!

The eighth grade have shown their skills this whole season. They have proved to be true eagles. When the score was down, they brought it up; they never quit! They never reached a point where they thought they were to good to lose. They tried to improve their teams every day. This shows true Eagle pride, and Eagle pride is hard to beat!!!!!!

The seventh grade Eagles are flying high. Though the girls didn't have as good a season as the boy's, overall it was a good year. Their scores often showed their abilities and skills. Keep up the good work seventh grade, we're proud of you!

5 & 6 GRADE — SEQUOYAH'S

Five seconds left on the clock. The score is two-
40 to 40. Eagles lose the ball and
fumbled. He steps back the line to shoot. He
shoots. The crowd goes wild. The coach tells
and the coach tells. They shake hands and
the crowd screams with excitement! He walks
draws a deep breath at the end.
The crowd is silent. Then all the students
cheer. It goes in! The Eagles have one again.

This shows the talent of our future Eagles.
Good luck to our Eagles of tomorrow!

STUDENT COUNCIL

This year the Jr. High Student Council planned to become a bigger part of the school. They had fund raisers such as selling pens, pencils, and hats. They held days such as western day. They also held a talent show, which was a big success. They plan to do many other projects to better our school.

SEQUOYAH HI-LITE

This year the Annual Staff started publication of the Sequoyah Hi-Lite for the first time since 1978. The Sequoyah Hi-Lite was pleasureable reading for the students who looked forward to the many interesting articles, jokes, games, and stories.

Thanks to Mrs. Baker, the Staff's loyal sponsor, Sequoyah Hi-Lite will be part of Sequoyah's history for years to come!"

What?" There's nothing wrong with it! Editors: Lori Scrattford, Clark Miller, Nancy Kellehan
